Trumbull County
Substance Use Disorder Engagement (T-SUDE) Initiative

Our mission is to improve Trumbull County’s capacity to better serve families affected by Substance Use Disorders (SUD) by ensuring that Plans of Safe Care are developed for SUD impacted infants and children; through family advocacy and engagement; and by nurturing community-wide cross-system collaboration.

Basic Information

Trumbull County Family Court
& Trumbull County Children Services

Warren, Ohio

Start Date of Program
July 2018

Program Capacity
42 Families

Target Population

Trumbull County parents with substance use disorders and their children affected by substance abuse or withdrawal symptoms resulting from prenatal drug exposure or Fetal Alcohol Spectrum Disorder.

We plan on serving 14 families, 18 adults and 23 children annually.

Program and Services

Recovery Coach
Facilitate early engagement into SUD treatment and child welfare system. Assist parent in recovery to direct his/her recovery using individualized action plans.

Intensive Child Welfare Case Management
Case management services that support child and family safety, well-being and permanency.

SUD Treatment
Timely access to quality SUD treatment and supportive services, including MAT.

Family Dependency Treatment Court
Judicial supervision for added support and accountability.

Goals for T-SUDE Initiative

Increased family advocacy and support offered by SUD Advocate/Recovery Coach.

Plan of Safe Care development for every SUD impacted infant and child brought to the attention of TCCS.

Increase cross-system collaboration with the development, implementation and monitoring of Trumbull County’s CARA MOU.
