First Annual All-Sites Meeting
Quality Improvement Center for Collaborative Community Court Teams

July 10-11, 2018
Hyatt Regency John Wayne Airport
4545 MacArthur Blvd, Newport Beach, CA 92660

PURPOSE OF THE MEETING

The National Quality Improvement Center for Collaborative Community Court Teams (QIC-CCCT) All-Sites Meeting will bring together the 15 QIC-CCCT Demonstration Sites, Subject Matter Experts, and QIC-CCCT Change Teams and staff for a two day training. This will be an opportunity for Demonstration Sites to share progress, challenges and lessons, engage in peer-to-peer networking and information sharing, and receive expert and targeted Training, Technical Assistance and Coaching (TTAC) from QIC-CCCT Change Teams and Subject Matter Experts. Agenda items and meeting sessions include a poster/peer networking session, breakout sessions with subject matter experts, structured team meetings, and plenary sessions on treating infants and families affected by substance use disorders and steps to support a comprehensive approach to Plans of Safe Care. The All-Sites meeting will support demonstration sites in achieving the QIC-CCCT goals:

**IMPLEMENTATION**
Enhance the capacity of CCCTs to appropriately implement the provisions of the Comprehensive Addiction and Recovery Act (CARA) amendments to the Child Abuse and Prevention Treatment Act (CAPTA)

**CAPACITY**
Enhance and expand CCCTs’ capacity to effectively collaborate to address the needs of infants, young children, and their families/caregivers affected by substance use disorders (SUDs) and prenatal substance exposure

**SUSTAINABILITY**
Sustain the effective collaborative partnerships, processes, programs, and procedures implemented to achieve the goals of each demonstration site

**DISSEMINATION**
Provide the field with lessons they can apply about effective practices for implementing the requirements of CARA and meeting the needs of children and families affected by substance use disorders

Below you will find the meeting agenda, a meeting location map and information on transportation services. Feel free to contact us at QIC-CCCT@cffutures.org if you have questions or need assistance. The agenda, as well as related information and resources, can also be accessed on the web at https://www.cffutures.org/qic-ccct_all-sites_2018/ or by scanning the following bar code with your phone:

### Day 1: Tuesday – July 10, 2018

**7:30 am – 8:30 am**  
Registration and Coffee

**8:30 am – 9:00 am**  
Welcome and Introductions  
This opening session will welcome participants and set the stage for the All-Sites Meeting by briefly reviewing the agenda and highlighting what we hope to achieve during the two days. We will conclude with brief introductions by site program directors of the partner agencies represented.  
*Tracy Watkins, MSW, M.A. Federal Project Officer, Administration for Children and Families (ACF), Children’s Bureau*

**9:00 am – 10:15 am**  
Plenary Session: Supporting Families Affected by Opioid and Other Substance Use Disorders  
This session will provide policy and practice considerations for implementing Plans of Safe Care for infants and their families, and treating opioid and other substance use disorders, including Medication Assisted Treatment. The session will also highlight innovative practices and lessons learned from six states working to improve outcomes for infants with substance exposure and their families, under the National Center of Substance Abuse and Child Welfare’s (NCSACW) Substance Exposed Infant Technical Assistance Program.  
*Nancy Young, Ph.D., Executive Director, Center for Children and Family Futures*

**10:15 am – 10:30 am**  
Morning Coffee Break

**10:30 am – 11:45 am**  
The Newborn: “Withdrawal” vs. Neurobehavioral Changes  
Neonatal Opiate Withdrawal Syndrome (NOWS) is narrowly defined as a syndrome due to prenatal opiate exposure. But many infants exposed to non-opiate substances are misdiagnosed. Dr. Ira J. Chasnoff will present on these key questions:  
- What is true neonatal withdrawal and how does it differ from neurobehavioral difficulties?  
- What factors affect diagnostic labeling?  
- Is it in fact important to differentiate the two?  
- Does the diagnosis affect treatment? Does it impact long term outcome?  
*Dr. Ira J. Chasnoff, M.D., President, NTI Upstream*

**11:45 am – 1:15 pm**  
Lunch  
Hotel lunch specials available in Wave Restaurant; restaurant list available in packet.

**1:15 pm – 2:30 pm**  
Demonstration Sites Poster Networking Session and Team Pictures

**2:30 pm – 2:45 pm**  
Afternoon Refreshment Break

**2:45 pm – 3:00 pm**  
Site Team Action Planning Introduction and Instructions  
Guidance will be provided for the Site Team Action Planning sessions.  
*Jane Pfeifer, MPA, QIC-CCCT Change Liaison, Center for Children and Family Futures*
3:00 pm – 5:00 pm  Site Team Action Planning-Session 1

Site Teams will convene to initiate Action Plan development. Facilitated by QIC Change Team staff and site project directors, Site Teams will:

- Review the alignment of site goals with QIC-CCCT program goals
- Discuss governance structure and identify the need for additional partners
- Begin to identify strategies needed to:
  - Address the needs of infants, young children, and their families/caregivers affected by substance use disorders (SUDs) and prenatal substance exposure.
  - Implement the provisions of the Comprehensive Addiction and Recovery Act (CARA) amendments to the Child Abuse and Prevention Treatment Act (CAPTA).

Session 1: Concurrent Topic-Specific Breakout Discussions
1:00 pm – 1:45 pm ** There will be two concurrent 45 minute sessions. Attendees will be asked to
rotate at 1:45. See below for details and room locations.

Session 2:  
1:45 pm – 2:30 pm
## Topic-Specific Breakout Sessions and Locations

1. **Steps to Support a Comprehensive Approach to Plans of Safe Care**  
   **LOCATION:** Pacific Ballroom 5A  
   This will be a follow up discussion to the Day 1 Plenary Session: Supporting Families Affected by Opioid and Other Substance Use Disorders. Attendees will engage in a discussion about specific steps they can take to implement Plans of Safe Care in their community. This includes emerging practices and approaches to developing Plans of Safe Care and coordinating appropriate interventions for women, children and families.  
   *Nancy Young, Ph.D., Executive Director, Center for Children and Family Futures*

2. **Engaging Dependency Court Attorneys: Adversary, Advocate, or Both**  
   **LOCATION:** Pacific Ballroom 4A  
   Attorneys in child welfare are charged with protecting their clients’ rights while also being part of a change team. During this session, participants will discuss the role attorneys for parents, children and the child welfare agency play in Treatment Courts and ways to engage attorneys in this Collaborative Court setting. Participants will share challenges from their own practices and the strategies they’ve used to be effective advocates.  
   *Mimi Laver, J.D. ABA Center on Children and the Law*  
   *Hilary Kushins, J.D., MSW, Dependency Advocacy Center*

3. **What You Need to Know About the QIC-CCCT Evaluation**  
   **LOCATION:** Pacific Ballroom 4B  
   Terri Tobin (Evaluation Director) will provide a short overview of the QIC-CCCT evaluation including goals and data collection tools, methods and submission expectations. Attendees will then engage in a discussion about how data can be used to monitor performance and engage in continuous quality improvement (CQI) to improve programs that serve children and families. This session will help attendees think about data collection and evaluation capacity building strategies and is intended for Site Team members of all expertise areas  
   *Terri Tobin, Ph.D. Advocates for Human Potential*

4. **Children and Recovering Mothers: Vermont’s CHARM Collaborative**  
   **LOCATION:** Crystal Cove  
   Children and Recovering Mothers (CHARM) is an inter-disciplinary and cross-systems team which coordinates medical care, substance use disorder treatment, child welfare and social service supports for pregnant and postpartum mothers with a history of opioid use disorder and their infants. This Vermont program offers a model collaborative approach, recognized by SAMHSA with a proven history of positive outcomes for women and children. Attendees will discuss the benefits and challenges, policy and operating framework, lessons learned, and replication considerations of this collaborative approach.  
   *Sally Borden, Executive Director, M.ED., KidSafe, Burlington Vermont*  
   *Kim Coe, Senior Program Associate, Center for Children and Family Futures*

5. **Plenary Follow-Up Discussion with Dr. Ira Chasnoff**  
   **LOCATION:** Pacific Ballroom 5B  
   This will be a follow up to the Day 1 Plenary Session: The Newborn: “Withdrawal” vs. Neurobehavioral Changes. Attendees will have the opportunity to reflect on the contents of the presentation and discuss how the information can be used to support infants and families in their community. This includes appropriate assessment and diagnosis of newborns and how these decisions affect treatment and long-term outcomes.  

6. **Plenary Follow-Up Discussion with Judge Cindy Lederman**  
   **LOCATION:** Emerald Bay  
   This will be a follow up to the Day 2 Plenary Session: Child Centered Practices in the Courtroom. Attendees will have the opportunity to reflect on the contents of the presentation and discuss how the information can be used to improve court practices. This includes meeting the needs of children and families through a family centered and trauma informed court environment, and timely, appropriate and coordinated services.
2:30 pm – 2:45 pm       Afternoon Refreshment Break
2:45 pm – 3:45 pm       Site Team Action Planning-Session 3

This will be the final site team action planning session. For Demonstration Sites that are a part of a multi-site State/Tribal Coalition initiative (Pathway 1 applications), this will be an opportunity for all sites to convene and discuss cross-site action planning and coordination with State/Tribal Coalition leadership. Local Demonstration Sites that are not part of a State/Tribal Coalition multi-site initiative will continue to work on their Action Plans. All Demonstration Sites are expected to:

- Finalize initial Action Plan draft
- Determine your team’s next steps when you return home
- Identify technical assistance needed from the QIC Change Team
- Prepare for brief report out during the closing session
